SULLIVAN COUNTY BOARD OF COUNTY COMMISSIONERS

April 16, 1990

Consider the following:

(A) File # 2/90-2 A request by Charles R. Osborne to rezone the property described below from R-1 to R-2:

Being two tracts of land lying at the intersection of Old Weaver Pike and Big Spring Road, and further described as Parcel 125, Map 83 and Parcel 99, Map 98 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 2/90-2, Charles R. Osborne Request. Mr. Osborne presented a request to rezone a tract of land located in the Third Civil District at the intersection of Old Weaver Pike and Big Springs Road from R-1 to R-2 to permit the location of a mobile home. A latter was presented from Mr. Bill Thomas opposing the request. Staff recommended to deny the request based upon lot size and incompatibility of land uses within the area, and the restriction on setbacks due to TVA flowage easements. On a motion by Guthrie, seconded by Bromit, the commission voted unanimously to deny the request.

(B) File # 2/90-3 A request by David C. Wilson to rezone the property described below from A-1 to B-3 :

Being a tract of land located on the south side of Booher Road and further described as part of Parcel 69, Map 54 of the Sullivan County Tax Maps that part identified as the lot platted as A portion of the Roby L. Wilson Property on plat book 292, page 355 as recorded in the office of the Sullivan County Register of Deeds.

The Planning Commission took the following action:

File No. 2/90-3, David C, Wilson Request. Mr, Wilson presented a request to rezone a fract of land located in the First Civil District on the south side of Booher Orive from A-1 to B-3 to permit the location of commercial development. There was no one present in opposition to the request. Staff recommended for approval of the request. Staff noted that the property was adjacent to an existing B-3 zone, the area was sparsely developed, and developing the property for commercial use would have very minor impact upon surrounding property. On a metion by Barger, seconded by Nichols the commission voted unanimously to approve the request.

(C) File # 2/90-4 A request by Knob Park Road Residents to rezone the property described below from R-1 to R-2 :

Being several tracts of land located at the intersection of Knob Park Road and King Lane, and further described as Parcels 48.20, 48.25, 48.27, 48.30, 48.40, 48.45, 48.50, 49 and 53.50, Map 23 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 2/90-4, Danny C. Justus Request. Mr. Justis presented a request to rezone a tract of land located in the twenty-second Civil District at the intersection of King Lane and Knob Park Road. The request as submitted was from R-1 to R-2. Mr. Justis requested that this be changed so that the property would be rezoned to A-1. A request was made by pelition of adjacent property owners to amend the rezoning request to include parcels 53,

50, 48.20, 48.25, 48.27, 48.30, 48.40, 48.45 and 48.50 in the A-1 classification. Staff's recommendation was to approve the rezoning to R-2. Upon questioning by the commission, staff stated that the rezoning to A-1 was also acceptable. Mr. Brumit questioned the propriety of rezoning the additional parcets which were not on the agenda without notice to additional adjacent property owners of the change in zoning classification. Mr. Brumit requested that staff review the properties in the R-1 zone to determine if additional areas should be rezoned. A motion was made by Brumit and seconded by Paty to approve Mr. Justus' request to R-2. Mr. Nichols presented an amendment to the motion to include all the properties added to the request by petition. This amendment was seconded by Mr. Neil. The commission voted to accept the amendment with Brumit and Pety voting no. On the motion by Mr. Brumit to approve the request, the commission voted unanimously to approve the request to rezone to R-2 as amended. Mr. Brumit stated that the staff had placed the commission in an awkward position by allowing the addition of other properties to the request after the agenda was published.

(D) File # 2/90-5 A request by Patsy L. Smith Cress to rezone the property described below from R-1 to R-2 :

Being a tract of land located on the west side of Bailey Road, and further described as Parcel 38, Map 64 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 2/90-5, Patsy L. Smith Cress Request. Mr. Larry Lane was present to represent the owner. Mr. Lane presented a request to rezone a tract of land located in the Seventh Civil District on the north side of Bailey Road from R-1 to R-2 to permit the location of a mobile home. No opposition was voiced to the request. Staff recommendation was for approval of the request based upon compatible land uses. On a motion by Guthrie, seconded by Brumit the commission unanimously voted to approve the request.

(E) File # 2/90-6 A request by Roy and Dorothy Eaton to rezone the property described below from R-1 to R-2 :

Being a tract of land lying at 4159 State Route 126 and further described as Parcel 15, Map 50 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 2/90-6, Roy and Dorothy Eaton Request. Mr. and Mrs. Eaton presented a request to rezone a tract of land located in the Fifth Civil District at 4159 State Houte 126 from R-1 to R-2 to permit the tocation of a mobile home. No one was present to oppose the request. Staff recommendation was for approval of the request based upon compatible land uses in the area. On a motion by Barger, seconded by Nichols, the commission voted unanimously to approve the request.

(F) File # 2/90-7 A request by Roger and Jennifer Hawk to rezone the property described below from R-1 to R-2 :

Being a tract of land lying off of the south side of Rock City Road and further described as Parcel 30.10, Map 32 of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 2/90-7, Roger A. and Jennifer S. Hawk Request. Mr. Hawk presented a request to rezone a tract of land located in the Tenth Civil District off of the south alde of Rock City Road from R-1 to R-2 to permit the location of a mobile home. No one was present in opposition to the request. Staff recommendation was for approval of the request. The commission expressed concern about access to the property from Rock City Road. On a motion by Barger, seconded by Nichols, the commission voted unanimously to approve the request.

(G) File # 2/90-8 A request by Reba Kennedy to rezone the property described below from R-1 to R-2 :

Being a tract of land lying off of the east side of Forest View Road, and further described as Parcel 10, Group 'F', Map 13N of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 2/90-8, Reba Kennedy Request. Ms. Kennedy presented a request to rezone a tract of land located in the Eleventh Civil District off of the east side of Forest View Drive from R-1 to R-2 to permit the location of a mobile home. No one was present in opposition to the request. Staff recommendation was for approval of the request based upon compatible land uses within the area. On a motion by Nichols, seconded by Guthrie, the commission voted unanimously to approve the request.
