No. 2009-03-34

To the Honorable Steve M. Godsey, Mayor of Sullivan County, and the Board of Sullivan County Commissioners meeting in Regular Session this 16th day of March

RESOLUTION Regarding The Spending Of General Economic Renewal Grants To Sullivan County, Tennessee

WHEREAS, the economic downturn is having a critical impact on everyday Americans who are struggling to maintain or find jobs in an increasingly difficult environment; and

WHEREAS, those same Americans are the taxpayers who provide the revenue needed to operate essential government services; and

WHEREAS, Congress and President Obama are planning a taxpayer-sponsored economic recovery package that will provide billions of dollars to help economically devastated counties, cities, and states immediately provide jobs to millions of out-of-work Americans through considerable infrastructure rebuilding, green energy projects, and other projects which will require manufactured components; and

WHEREAS, our taxpayer dollars should be spent to maximize the creation of American jobs and restoring the economic vitality of our communities; and

WHEREAS, any domestically produced products that are purchased with economic recovery plan monies will immediately help struggling American families and will help stabilize our greater economy; and

WHEREAS, any economic recovery plan spending should – to every extent possible – include a commitment from Sullivan County to buy materials, goods, and services for projects from companies that are produced within the United States, thus employing the very workers who pay the taxes for the economic recovery plan spending in the first place.

NOW THEREFORE BE IT RESOLVED that the Board of County Commissioners of Sullivan County, Tennessee, assembled in Regular Session hereby agree to work to maximize the creation of American jobs and restoring economic growth and opportunity by spending economic recovery plan funds on products and services that both create jobs and help keep Americans employed.

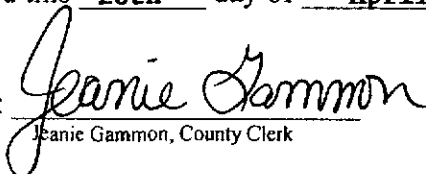

BE IT FURTHER RESOLVED THAT, we commit to purchasing only products and services that are made or performed in the United States of America whenever and wherever possible with any economic recovery monies provided to Sullivan County, Tennessee by the American taxpayers.

BE IT FURTHER RESOLVED THAT, as legislators of Sullivan County, we commit to publish any requests to waive these procurement priorities so as to give American workers and producers the opportunity to identify and provide the American products and services that will maximize the success of our nation's economic recovery program.

BE IT FURTHER RESOLVED THAT a copy of this resolution be provided to our Sullivan County Legislators in Nashville to make them aware of our wishes.

This resolution shall take effect from and after its passage. All resolutions in conflict herewith be and the same rescinded insofar as such conflict exists.

D2. Request for Abandonment of Jonesboro Road Extension, Piney Flats

FINDINGS OF FACT-

Property Owner:	Sullivan County Right of Way
Applicant:	Tim Bullock and Chris Elliot
Surveyor:	Charles Tommy Johnson, Jr. RLS – TN Professional Surveying Inc.
Engineer:	n/a
Location:	Jonesboro Road Extension off of Jonesboro Road, Piney Flats
Water District:	Johnson City Utility District
Sewer or Septic:	n/a
Growth Boundary:	Sullivan County Planned Growth Area
Zoning:	M-1
Intended Use:	To close this portion of the road and add it to Parcel 12 of TM 124K

Staff Field Notes and General Comments:

- This request is to close Old Jonesboro Road Extension that is adjacent to the Commercial building along Hwy 11E as well as backs up to the Piney Flats Fire Hall and Edwards & Associates Helicopter Repair Facility.
- The applicants have secured consent from these adjoining property owners, as well as from Networks Partnership, regarding the Industrial Park property, provided they maintain ingress/egress access.
- The county's property at the end of this road is used to access the propane tank only.
- The agreement between all property owners is to close this road for public use, but maintain an ingress/egress access easement to all adjacent property owners in case they need it.
- However, the primary purpose of this request is to add this road to parcel 12 as the existing building is out of conformance to zoning setbacks. This would provide more usable flat land to access the rear of the building.
- Staff recommends in favor of this request, subject to the approvals from the Highway Commissioner and the County Attorney.
- The Planning Commission shall consider forwarding a recommendation onto County Commission per county policy.

Discussion at the PC meeting:

- *Applicant/representative present –yes.*
- *Tim Bullock and Chris Elliot were both present to answer any questions from the commission.*
- *Staff read her report.*
- *Discussion followed.*
- *Staff recommends in favor of this subject to approval from all utilities, County Attorney and then County Commission.*
- *Gordon Peterson motioned to forward a favorable recommendation to the County Commission per staff's report.*
- *John Crawford seconded the motion and the vote in favor passed unanimously.*
