Consider the following:

Motion by: (1) File # 11/92-1 A request by Paul Brooks to rezone the property described below from
Comm. Ammons R-1 to B-3:
conded by: DEFER BACK TO THE PLANNING COMM. DEFERRED 2/15/93 VOICE VOTE
mm. Fortune Being a tract of land lying in the 13th Civil District on the south side of Rock Springs
Road approximately 600 feet west of its intersection with Westfield Drive and further
described as parcel 1 group A map 105-F of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 11/92-1, Paul Brooks Request. Consider a request to rezone a tract of land located in the 13th civil district on the south side of Rock Springs Road approximately 600 feet west of its intersection with Westfield Drive from R-1 to B-3 to permit the location of a lawnmower shop.

Applicant and Bobby Goodson were present and spoke in support of the request. John Bledsoe, Charles Hampton, Joe Wilson and other residents of the Rock Springs area were present and spoke in opposition to the request and presented a signed petition in opposition with 64 signatures. Those in opposition cited the incompatibility of the proposed business with their existing residential neighborhood stating the business would have a negative impact on the livability of the area. Staff noted that it appeared the existing business had been opened in violation of provisions of the zoning resolution and was incompatible with the existing residential development in the neighborhood. Staff recommended the request be denied.

Motion by Eldreth, second by Brown to deny the request as recommended by staff; vote in favor of the motion: unanimous, the motion to deny rezoning from R-1 to B-3 carried.

File # 12/92-7 A request by P. Tom Little to rezone the property described below from R-1 to M-1:

TO APPROVE REQUEST APPROVED 2/15/93 ROLL CALL
 Being a tract of land lying in the 14th Civil District on the south side of Shipley Ferry Road at its intersection with Cliffview Drive and further described as parcel 16 group C map 92-M of the Sullivan County Tax Maps.

The Planning Commission took the following action:

File No. 12/92-7, P. Tom Little Request. Consider a request to rezone a tract of land located in the 14th civil district on the south side of Shipley Ferry Road at its intersection with Cliffview Drive from R-1 to M-1 to permit the location of a light manufacturing.

Applicant was present and spoke in support of the request. No one spoke in opposition to the request. Staff noted that the property proposed for rezoning was adjacent to the Interstate 81, Fort Henry Drive Interchange and contained an existing building that would be used "as is" and that existing topography in the transitional neighborhood "screened" the proposed zoning from existing development. Staff opined that the proposed zoning would be compatible with existing land use patterns and recommended the request be approved.

Motion by Trivett, second Teague to approve the request as recommended by staff; vote in favor of the motion: unanimous, the motion carried.
