THE SULLIVAN COUNTY SHERIFF'S QUALIFICATION ACT

THIS RESOLUTION establishes mandatory qualifications and training for newly elected county sheriffs, for the purpose of promoting the orderly transfer of law enforcement powers within this county and to insure the election of qualified law enforcement professionals to this important county office.

QUALIFICATIONS.

•

-

(a) In order to be eligible to be elected or appointed to the office of county sheriff on or after July 1, 1988, the candidate or appointee shall:

1. Be a citizen of the United States;

- 2. Have been a resident of the county for at least three (3) years preceding the date of the election or appointment;
- 3. Be a registered voter of the county;
- 4. Be at least twenty-five (25) years old prior to the date of the appointment or the qualifying date of the election;
- 5. Possess a high school diploma or its recognized equivalent;
- 6. Not have a conviction or quilty plea or plea of Nolo contendere in any felony case for violation of any federal or state law relating to force, violence, theft, dishonesty, gambling, liquor or controlled substances and not have been released or discharged under other than honorable conditions from any of the armed forces of the United States;
- 7. Be a certified police officer as defined by the Tennessee Peace Officer Standards and training Commission, with at least three (3) years of law enforcement experience;

000202 b

8. Be fingerprinted under the direction of the Tennessee Bureau of Investigation, which will maintain such fingerprints on file. Such fingerprints must be taken no later than twentyfour (24) hours after the qualifying deadline for all candidates seeking election to the office of county sheriff. The Bureau shall conduct a search of local, state and federal fingerprint files to disclose any criminal record of any person appointed or seeking election to the office of county sheriff.

(b) In addition to the requirements above, from and after July 1,

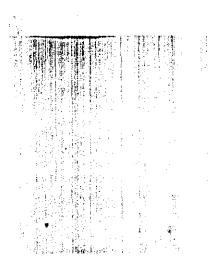

1988, no person will be eligible to be appointed to fill a vacancy in the office of county sheriff or qualify for election to the office of county sheriff unless such person meets at least one of the following requirements:

- 1. Have a bachelor's degree or its equivalent in Criminal Justice or Business; or
- 2. Have at least two (2) years of college and at least five (5) years experience in a law enforcement field; or
- 3. Have a college degree and five (5) years experience in a position requiring supervision of personnel and operation management.

(c) The county legislative body or a committee appointed by the

county legislative body must review the qualifications of all candidates seeking the office of county sheriff, to determine whether they meet the requirements of this section. In the case of candidates for election, the county legislative body or committee appointed by the body must certify to the county election commission that a candidate has met the requirements of this section prior to the candidate's name being placed on the ballot. Candidates for election to the office of county sheriff and persons appointed to fill vacancies in the office of county sheriff must provide the county legislative body or designated committee with the following information:

> 1. A complete history of places of residence for the past six (6) years including house numbers or rural route numbers, street, city, county and state;

 A complete employment history for the past six
 (6) years including name and address of employers and period of time employed;

. .

....

- 3. A certified copy of birth certificate, high school diploma or its recognized equivalency and of all college transcripts evidencing qualifications required by this section;
- 4. Such other information as may reasonably be required by the committee to assist in determining compliance with the requirements of this section.
- (d) The provisions of this section shall not apply to any county

RECOMMENDED SANITARY SEWER PROJECTS FOR SULLIVAN COUNTY

1988

All costs include construction, engineering, legal, administrative, and right-of-way expenses.

Blountville trunk line and pump station	\$1,836,000
Colonial Heights business strip sewer lines	\$00,000
Bloomindale trunk line (serves Ketron Middle School)	528,000
Harmony Hills trunk line (serves Brookside School)	234,000
Lebanon Road - Colonial Heights trunk Line [serves Colonial Heights Middle School]	158,000
Fordtown Road trunk line (serves Miller Perry School)	94,000
Piney Flats trunk line and pump station	1,000,000
Buy-in of Kingsport sewer treatment plant capacity	1,100,000
<u>Total Cost</u>	\$5,750,000

Use Revenue Deficient Genral Obligation Bonds

Estimate 15 year term at 6 1/28

.

.

• • •

. . .

Bond repyament for \$6 Million = \$638,000 per year or \$.06 additional tax rate with no revenue.

For 1988-89 the estimated fees from tap charges and delayin repaying principal will reduce the first year's payment to about \$300,000, or \$.03 on the county tax rate. The tax rate each year thereafter will be determined after deducting the tap fees and user rates surcharges.

(Bond Information from Mr. Harry Lawrence, J. C. Bradford)

000224

<u>The Blountville Trunk Line</u> will replace the existing sewage treatment plant behind the courthouse, which is operating now at near design capacity and will probably become overloaded when the new courthouse is finished. It will ultimately serve about 6,000 acres, including Blountville, the I-81 interchange, the area north and east to the Youth Home, the Summerhill Subdivision, and the area around the Tri-City Golf Course.

<u>The Colonial Heights Collection lines</u> will alleviate an immediate septic tank problem and will serve about 60 commercial and business properties. In addition... there are several residences across from Wal-Mart that will probably be purchased for business or commercial use, adding to the property and sales tax revenues.

<u>The Bloomingdale Trunk Line</u> will extend up Peaveler Branch from Stone Drive to Bloomingdale area east of New Beason Well Road. The approximate service area is 1,600 acres, or about 2,400 homes after full development. Included in this area are the Kingsley Elementary and Ketron Middle Schools.

<u>The Harmony Hills Trunk Line</u> will be extended north to Brookside School now, and later to the Harmony Hills Subdivision and the Bloomingdale area west of New Beason Well Road. It will eventually serve about 1,200 acres, which may have 2,000 residences. There is also potential commercial development along the John B. Dennis Highway south of Brookside School as soon as sewer lines are available.

<u>The Lebanon Road - Colonial Heights Trunk Line</u> will run from the existing Kendrick Creek Outfall line up Lebanon Road to Colonial Heights Middle School. Several residential streets will feed into this line, which we estimate will serve about 100 existing homes in the area near the school.

<u>The Fordtown Road Trunk Line</u> will extend east along Fordtown Road from Miller Industrial Park to Miller Perry Elementary School. This area might develop commercial. In addition, some of the Fordtown area will probably be pumped into this line in the future.

<u>The Piney Flats Trunk Line</u> will begin at the Johnson City City Limits at Edgefield Road and run north along the west side of Highway 11-E to "Partners" restaurant. The installation of this line is recommended if Johnson City drops their annexation proceedings. In addition to providing service to Piney Flats, development from there to Johnson City will soon benefit Sullivan County with additional sales and property taxes.

<u>The Kingsport Sewer Treatment Plant Buy-In</u> is the county's cost for 2.85 million gallon per day of treatment capacity. It will reduce the user charge by \$.51 per 1000 gallon of water used.

3/21/88

AMENDMENT TO RESOLUTION # 22

BE IT RESOLVED THAT, the following sewer project expenses of Sullivan County be funded by general obligation bonds to be serviced by citizens of both incorporated and unincorporated areas of the county:

A. 1.1 million to the City of Kingsport for space of 2.85 million gallons per day in the city's sever plant.

B. 1.836 million for a trunk line and pumping station to serve the Blountville area.

BE IT FURTHER RESOLVED THAT, sewer projects involving any schools in Sullivan County be funded by Rural School Bonds and projects not involving schools be funded by Rural Sewer Revenue Bonds, both of these types of bonds to be serviced by citizens of unincorporated areas of Sullivan County; and

FURTHER BE IT RESOLVED THAT, all administrative expenses hereinafter incurred by the Board of Urban Facilities, including the salary of the enginner, be recovered through tap on fees collected by Sullivan County.
