TO THE HONORABLE KEITH WESTMORELAND, COUNTY EXECUTIVE, AND THE MEMBERS OF THE
SULLIVAN COUNTY BOARD OF COMMISSIONERS IN REGULAR SESSION
THIS THE 18th DAY OF MAY
RESOLUTION AUTHORIZING SOLID WASTE DISPOSAL REGULATIONS
WHEREAS, TENNESSEE CODE ANNOTATED; SECTION, AUTHORIZES COUNTIES O
NOW, THEREFORE BE IT RESOLVED by the Board of County Commissioners of Sullivan County, Tennessee, assembled in <u>Regular</u> Session on the <u>18th</u> day of <u>May</u> , 19 <u>87</u> .
THAT WHEREAS, Sullivan County supports the Tennessee Solid Waste Control Board's effort
to devise new regulations concerning non-hazardous solid waste management that would offer
maximum protection to the people of Tennessee; and
WHEREAS, we support the goal that all non-hazardous solid waste disposal sites should be
safe and managed in such a way that they would offer no danger to the public; and
WHEREAS, the Division of Solid Waste Management within the Department of Health and
Environment has advised various county officials that 94% of the current non-hazardous
solid waste facilities in Tennessee are safe and offer no danger to the public; and
HEREAS, we believe this is a commendable record but are anxious that the remaining 6% of
nese substandard facilities be identified and brough into compliance with reasonable
health standards; and
WHEREAS, we feel that regulations should not be adopted covering all 95 counties in the
state which would cost millions of dollars to implement when the Division of Solid Waste
Management admits that the overwhelming majority of non-hazardous solid waste facilities are
competently managed and offer no danger to the public.
NOW, THEREFORE, BE IT RESOLVED THAT, the County Commission of Sullivan County urges the
Solid Waste Control Board not to adopt the proposed regulations contained in the 88-page
memo from Tom Tiesler dated December 15, 1986, unless the state government provides total
funding to meet the stringent guidelines outlined in the memo; and
BE IT ALSO RESOLVED THAT we urge the Division of Solid Waste Management to continue to
examine and test county non-hazardous solid waste facilities in Tennessee and bring to the
tention of the appropriate county officials those facilities that need to be improved to
protect the health of the public; and
BE IT FURTHER RESOLVED THAT, a copy of this resolution be sent to members of the Solid
Waste Control Board immediately after its adoption.
