Being a tract of land lying in the 6th Civil District on the south side of Bluff Road approximately 500 feet east of its intersection with Lester Road and further described as parcel 194, map 33 of the Sullivan County Tax Maps.

Applicant was present. Mark Northcutt and others spoke in opposition to the request and presented a petition with 31 signatures also in opposition, citing negative impact on the area - decreased property values, dangerous road conditions, inadequate public facilities.

Staff recommended the zoning to R-3 be denied due to excessive development density that would not be compatible with the neighborhood. The applicant suggested they would accept zoning to a lower density of R-2.

On a motion by Eldreth, seconded by Greens, the commission voted unanimously to approve zoning from R-1 to R-2.

Motion by: (3) **File # 3/92-3** A request by MDM Ltd. to rezone the property described below from R-1 to PRD :

 Comm. F.Childress TO APPROVE PLANNING COMMISSIONS RECOMMENDATION APPROVED 5/18/92 Roll Call

 Comm. Ammons

The Planning Commission took the following action:

File No. 3/92-6, Norma Steadman Request. Consider a request to rezone a tract of land located in the 13th civil district on the south side of Rock Springs Road approximately 600 feet west of its intersection with Moreland Drive from R-1 to R-3A to permit the location of apartments or condominiums.

Judy Franklin was present representing the applicant. Bob Hite was present and spoke in opposition citing possible decrease in property values if the zoning is approved. Staff recommended P. R. D. zoning, noting that site plan review would be required allowing the commission to insure that the proposed residential development would blend with the existing neighborhood and eliminate possible negative impact. The applicants representative accepted staffs recommendation for a P. R. D. zone.

On a motion by Eldreth, seconded by Trivett, the commission voted as follows to approve rezoning from R-1 to P.R.D. as recommended by staff: voting yes to approve P.R.D. zoning: Teague, Brown, Trivett, Eldreth, Green; voting to deny zoning to P.R.D.: Belcher, Koehner: pass (no vote) Hickam, the motion carried.

 Comm. Blalock Being a tract of land lying in the 9th Civil District on the west side of U. S. Highway 11-E approximately 1500 feet south of the Piney Flats crossroads and further described as that part of parcel 40, map 124 of the Sullivan County Tax Maps southeast of Pickens Bridge Road.

Page 3

The Planning Commission took the following action:

File No. 3/92-8, Jo Ann Conner Request. Consider a request to rezone a tract of land located in the 9th civil district on the west side of U. S. Highway 11-E approximately 1500 feet south of the Piney Flats crossroads from A-1 to R-3A to permit the location of apartments.

Jo Ann Conner was present. No opposition was heard. Staff noted that due to the nature of the site that a PRD zone requiring site plan review would be more conducive to appropriate development of the property and compatible with surrounding land use. The applicant accepted staff recommendation for a PRD zone.

On a motion by Belcher, seconded by Hickam, the commission voted unanimously to approve rezoning from A-1 to PRD as recommended by staff.

Motion by: (6)
